Healthcare that gives more.

Your New Jersey State Health Benefits offers Everside Health (formerly Paladina Health and R-Health) as an add-on benefit - it does not require any changes to your health insurance or any additional costs to you. It's an easier, more convenient healthcare option for everything from screenings and prevention to chronic disease management and urgent care. **Plus, there are no co-pays or out-of-pocket costs.**

EARN YOUR \$250 - \$350 NJWELL INCENTIVE WITH EVERSIDE HEALTH

1. Join Everside Health
2. Complete a comprehensive physical examination and at least one follow up appointment with your Everside Health doctor, or complete two virtual visits (with one focused on prevention and wellness)
3. Complete a health assessment through your health plan's online portal

Complete all of the above between
November 1 and October 31

A provider who knows you

Your provider knows you by your name, not as their 10:30 appointment.

Care when you need it

Same-day and next-day appointments, evening and weekend hours, and you can talk to your provider even after hours.

Care how you want it

No crowded waiting rooms and rushed appointments. Appointments can be as long (or as short) as you want. We also offer onsite medications and blood work at no additional cost.

A focus on the whole you

Your Everside Health provider thinks about the whole you, including your mental health.
